PROFILE INFO

I am Munna Hasan. I am a web designer .I am a highly competent IT professional with a proven track record in designing websites, networking and managing databases. I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged in order to grow and further improve my IT skills. My greatest passion is in life is using my technical know-how to benefit other people and organizations.

WORK EXPERIENCE

Junior Wordpress Developer at Vietnam   **2018 - 2019**

I have been worked HTML and WordPress designer for 2 years in a company in Vietnam. I had a very good relationship with them. And I have worked on about 20+ major projects with them. And due to some personal problems I resigned from there.

Senior PHP Developer at Bangladesh   **2020 - 2021**

I have worked in a company in Bangladesh for about 2 years. I was able to work well with the people of my country there. As the quality of work was good, I was given many benefits there. And I was the meek and polite craftsman among them.

PHP and Laravel Developer at Bangladesh   **2022 - Now**

I am currently working and learning PHP and Laravel in another company in our Bangladesh. I am very proficient in PHP and I am currently learning Laravel. Hope to use Laravel in big projects very soon.
